ADVERTISE AND ENGAGE WITH YOUR AUDIENCE
ACROSS MOBILE, PC, AND TABLET DEVICES

BANNER ADS

Placements that send the right message and grab attention. Interact with the audience when they are most engaged.

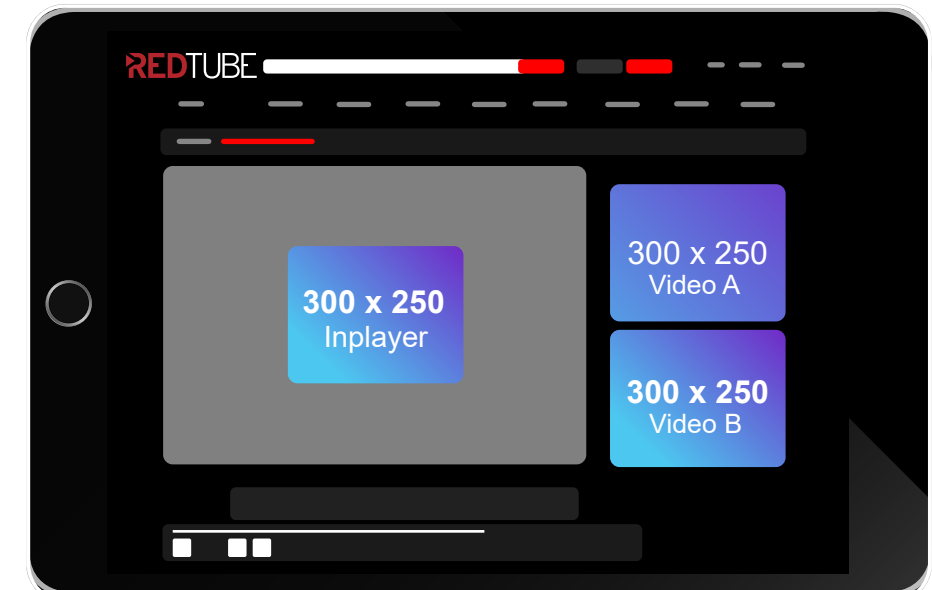

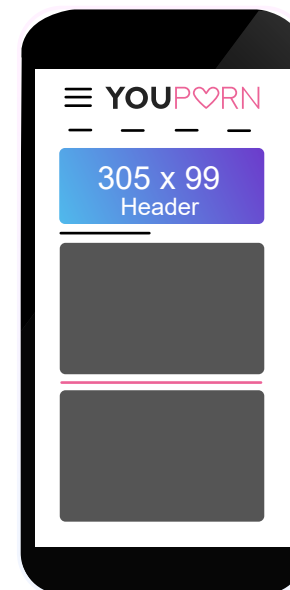

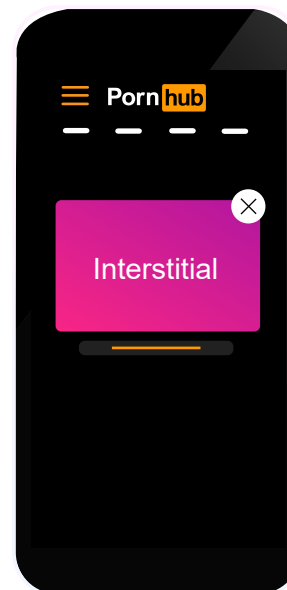

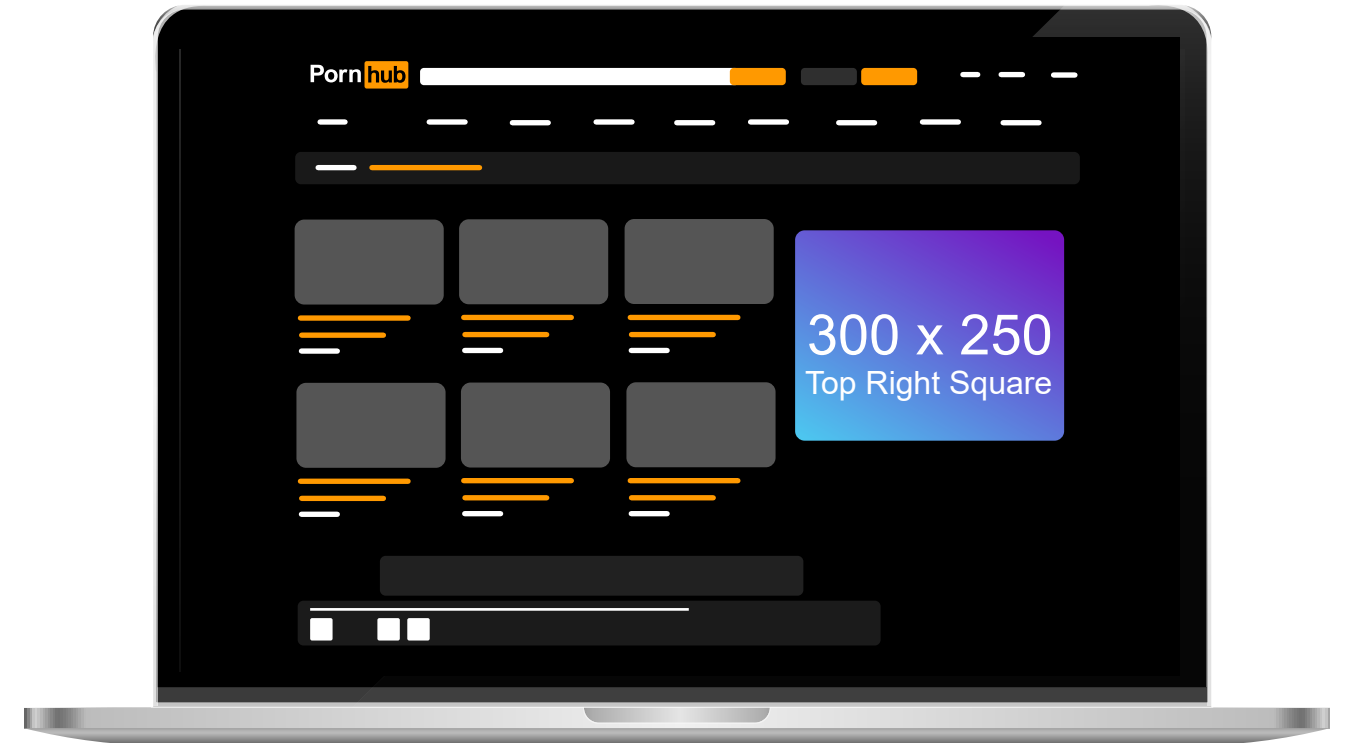

AD DIMENSIONS

300 x 250

305 x 99

950 x 250

300 x 150

PRE-ROLL ADS

Get unparalleled exposure. Entice your audience with engaging content, engaging your brand in our Premium real estate.

VIDEO SPECIFICATIONS

MAX VIDEO LENGTH RESOLUTION

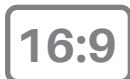

1080p

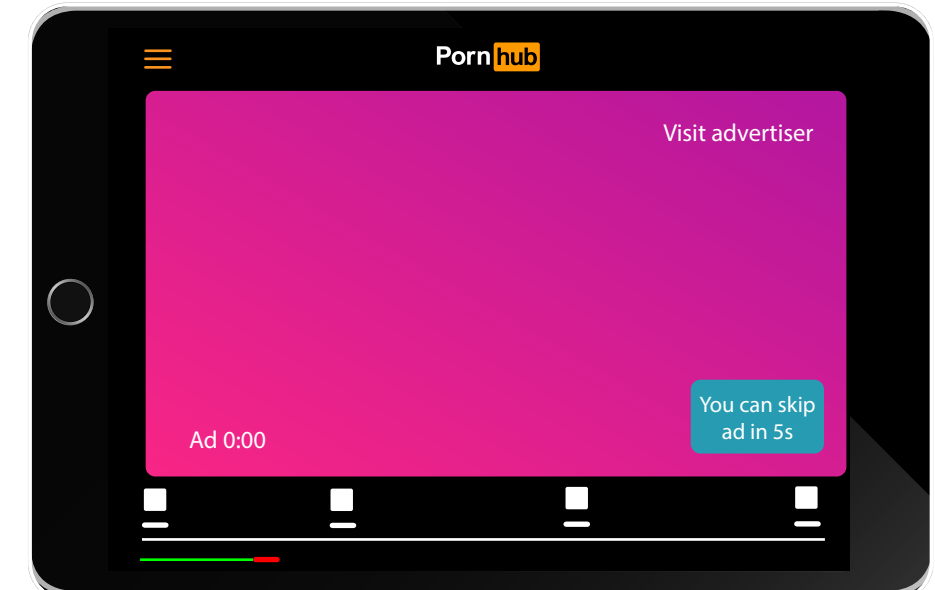

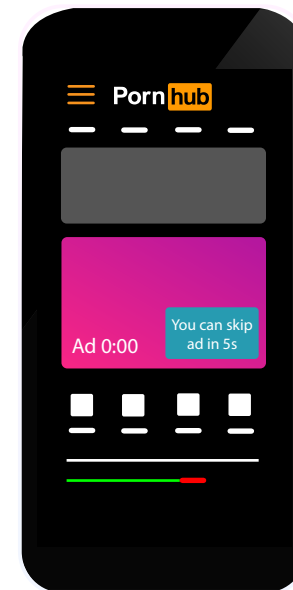

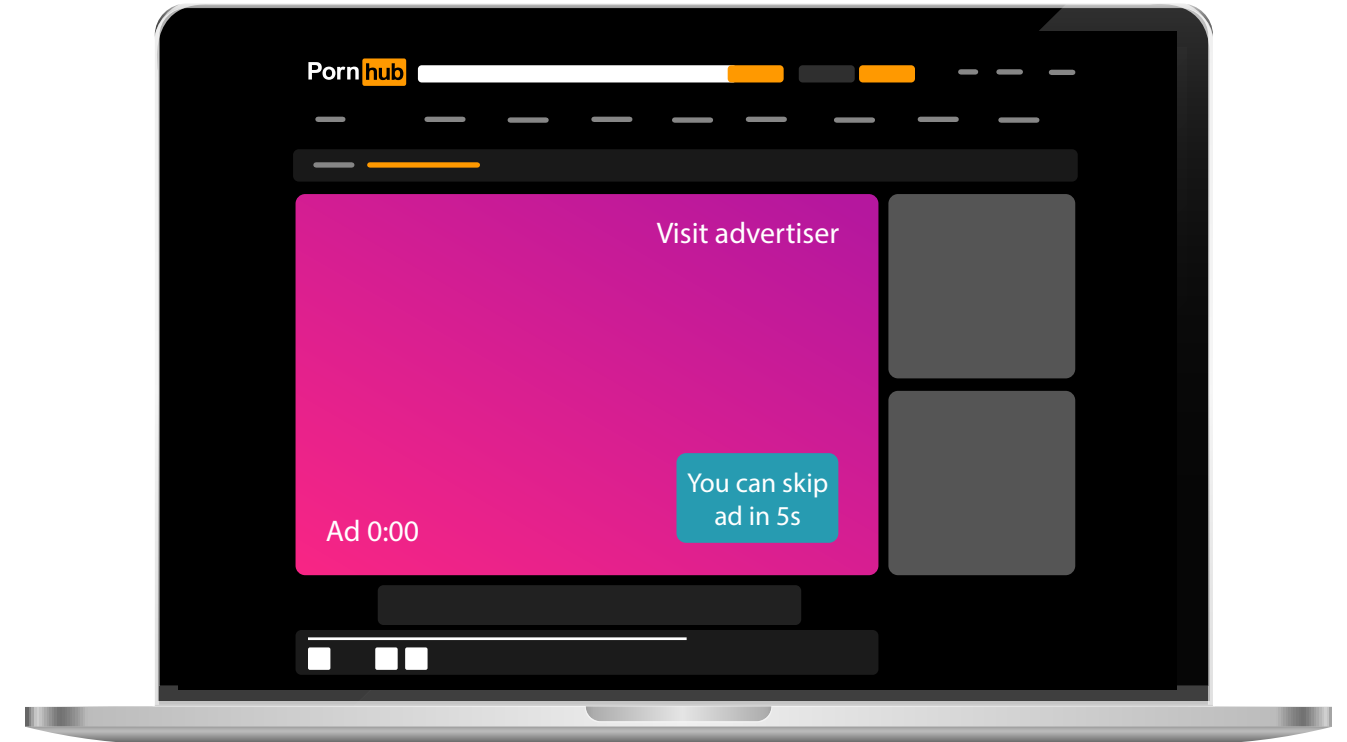

ACCEPTED FORMATS

MAX FILE SIZE ASPECT RATIO

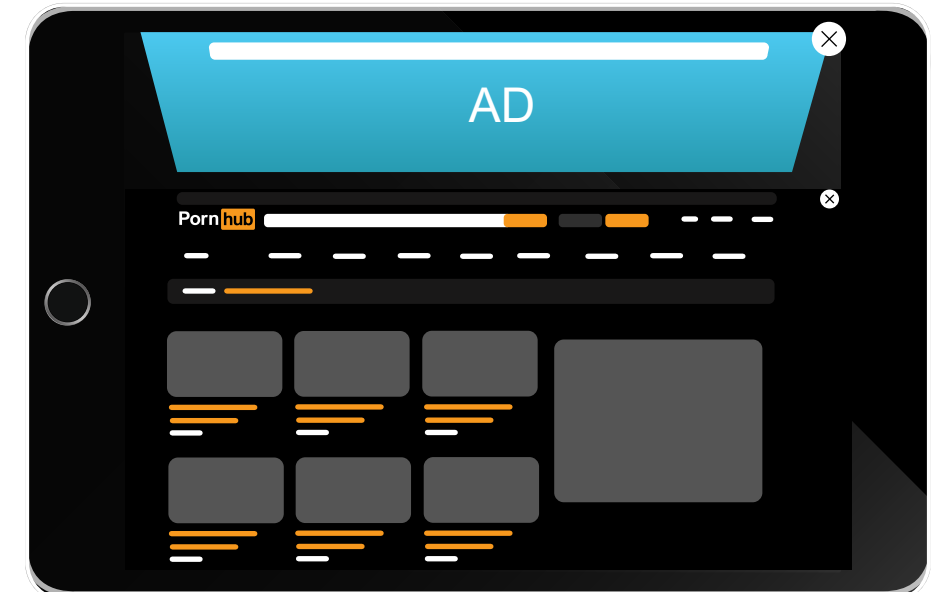

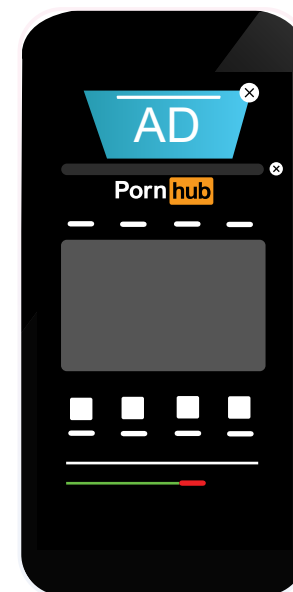

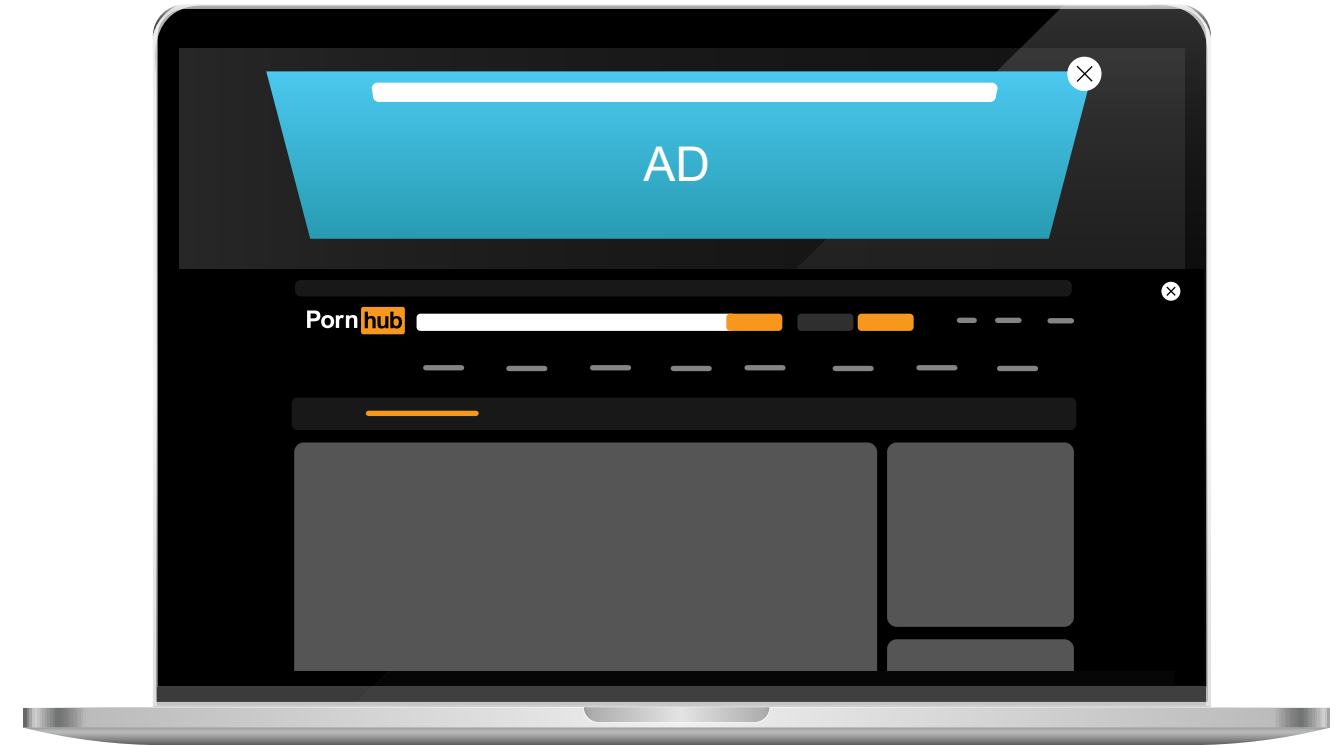

16:9

POP-UNDER ADS

Engage directly with your audience and integrate within the browser with our Pop-underers. A non-intrusive alternative to banner ads.

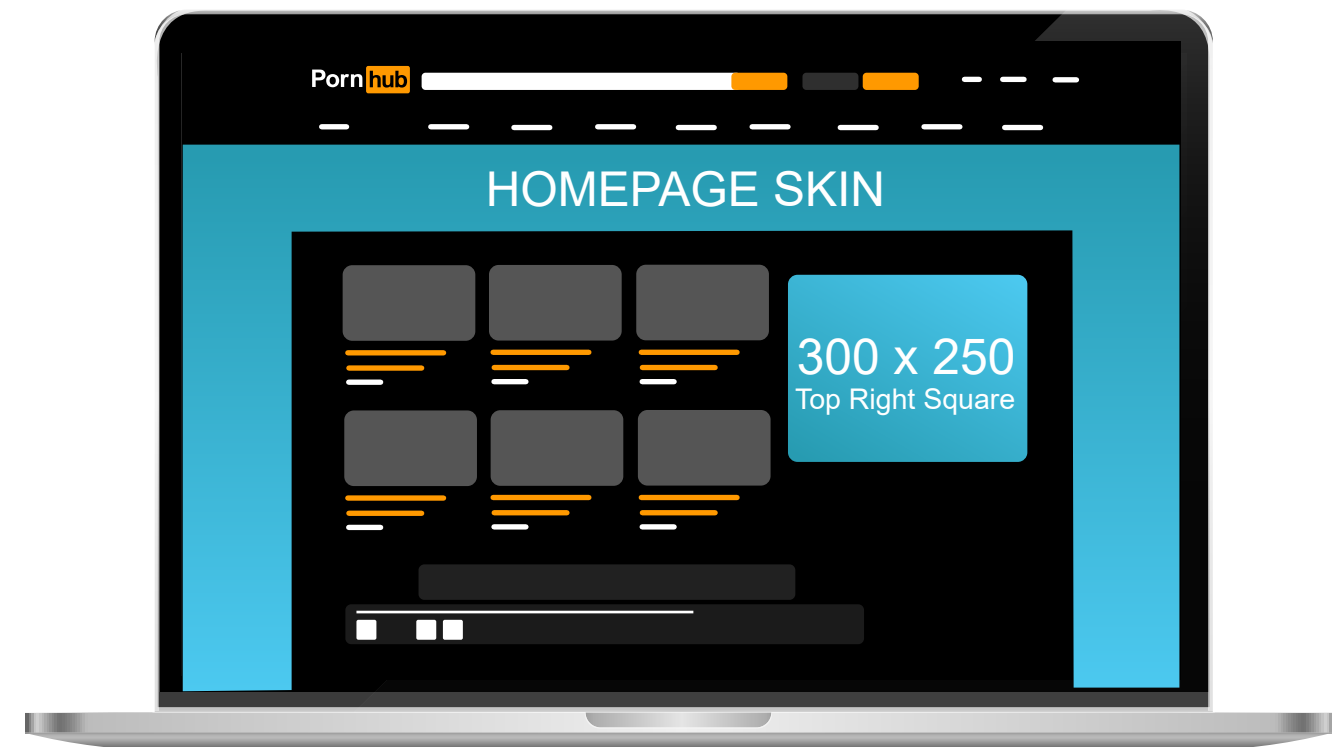

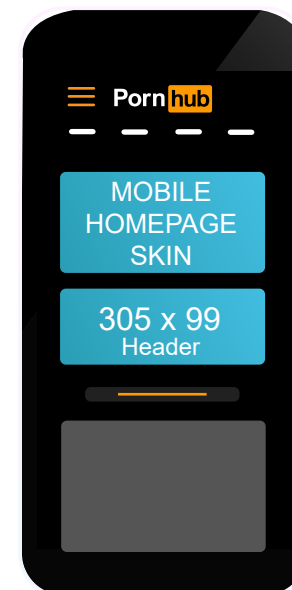

HOMEPAGE TAKEOVER

High-impact advertising that grabs the attention of the audience and lets your brand create a lasting impression.

INCLUDES:

- Homepage Skin
- All visible ad spots on the homepage

DEMAND-SIDE PLATFORM

Programmatically buy ad space using the TJ DSP.
Explore the automation and optimization features to help you
scale and maximize your ROI.

AUTOPILOT

Adjusts the ad weights and automates your ads' rotation. Autopilot displays the most engaging and best converting ads to the audience.

BIDDER

Set a target CPA and allow our algorithm to optimize your bids automatically. The bidder works towards the CPA goal and increases/decreases the bids according to the results achieved.

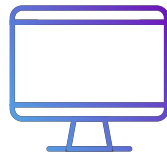

RULES ENGINE

Set rule conditions on campaign metrics. Rules Engine eliminates the sources that don't meet your rule conditions to improve overall campaign performance.

WHY TRAFFICJUNKY?

Drive traffic and get results with the TJ DSP and TJ Exchange
