# GET SPOTTED

ADVERTISE AND ENGAGE WITH YOUR AUDIENCE  
ACROSS MOBILE, PC, AND TABLET DEVICES

# BANNER ADS

Placements that send the right message and grab attention. Interact with the audience when they are most engaged.

## AD DIMENSIONS

# PRE-ROLL ADS

Get unparalleled exposure. Entice your audience with engaging content, engaging your brand in our Premium real estate.

## VIDEO SPECIFICATIONS

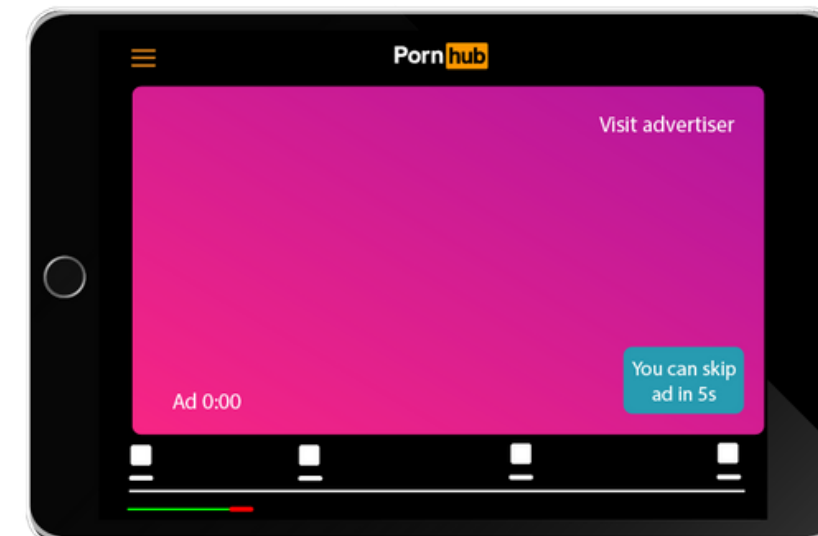

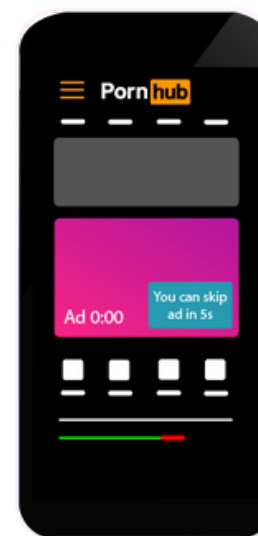

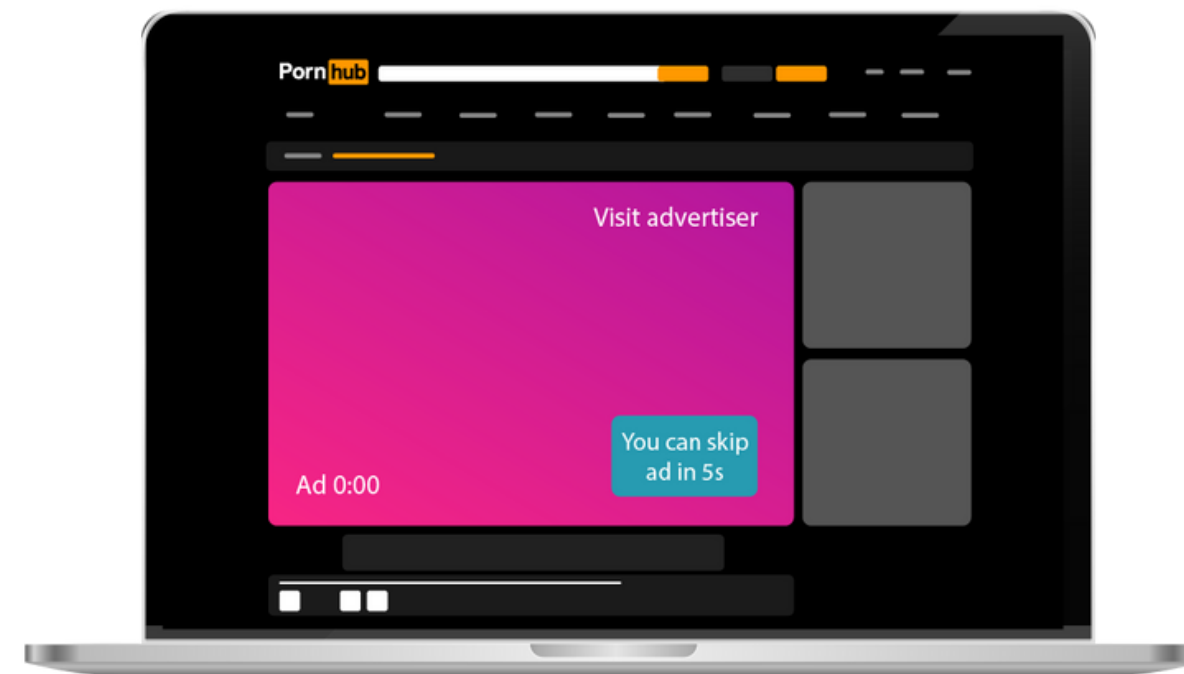

MAX VIDEO LENGTH RESOLUTION

ACCEPTED FORMATS

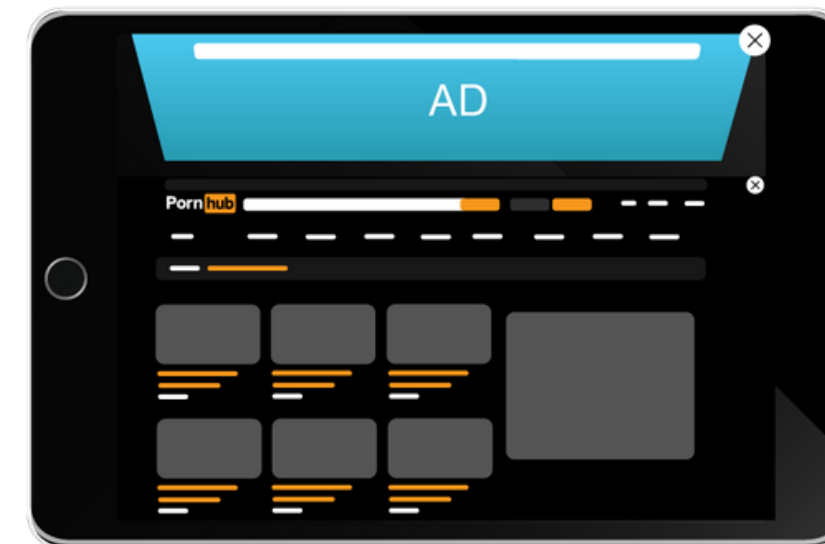

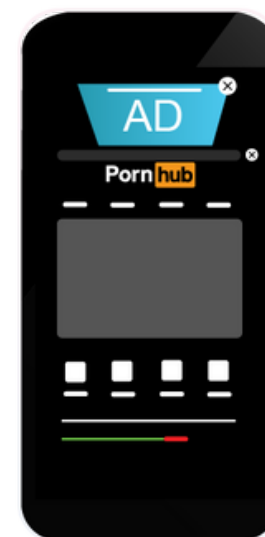

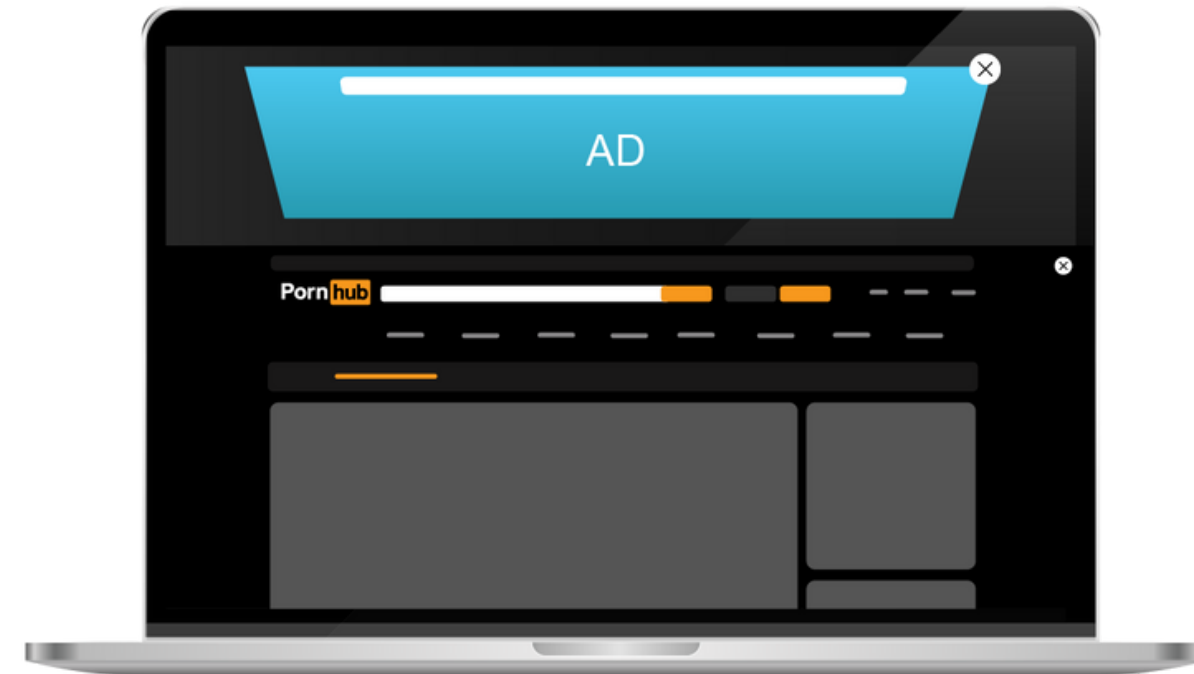

MAX FILE SIZE ASPECT RATIO

# POP-UNDER ADS

Engage directly with your audience and integrate within the browser with our Pop-unders. A non-intrusive alternative to banner ads.

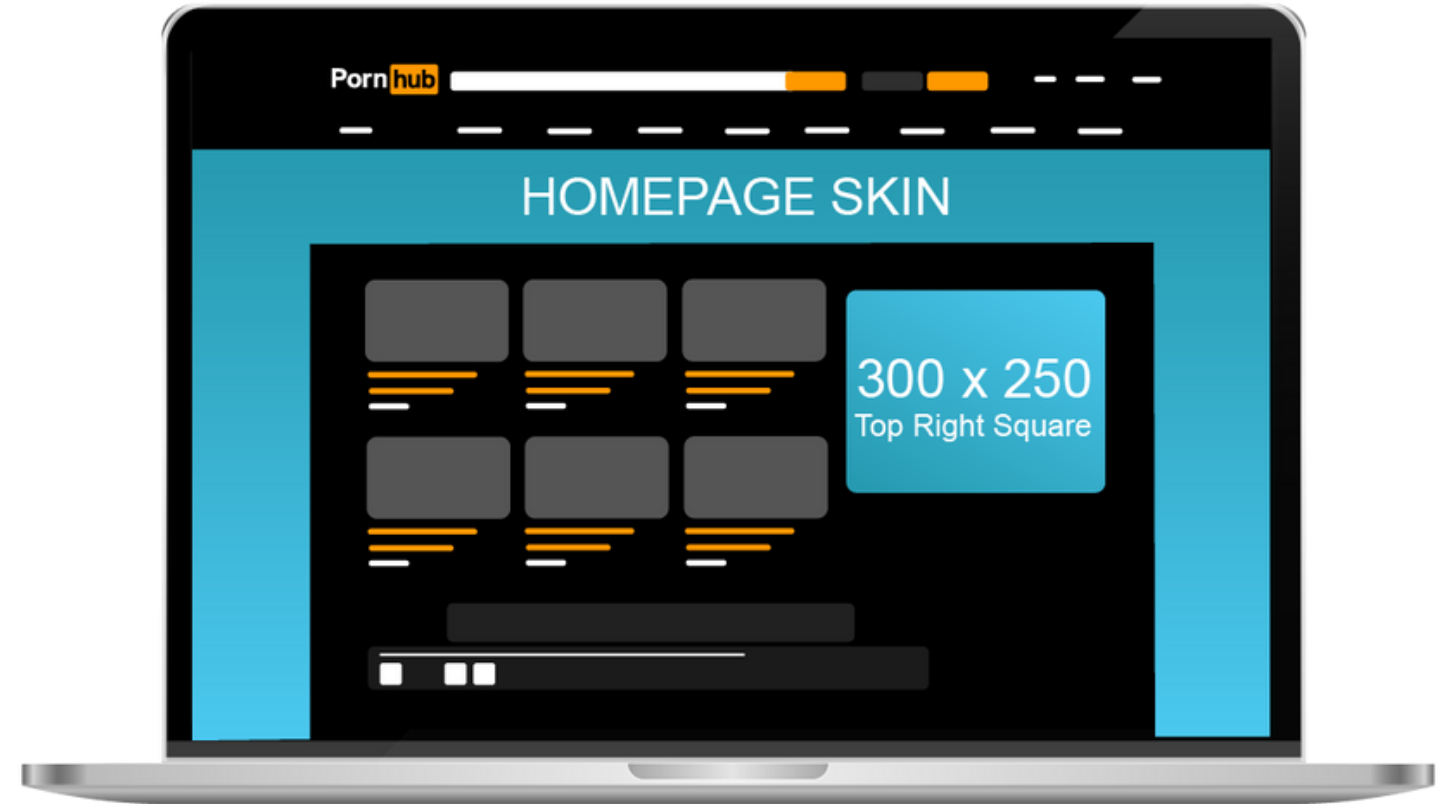

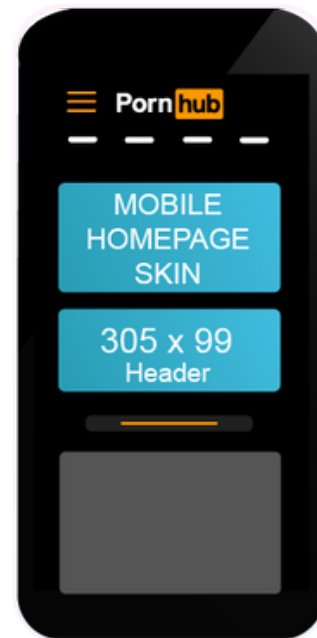

# HOMEPAGE TAKEOVER

High-impact advertising that grabs the attention of the audience and lets your brand create a lasting impression.

## INCLUDES:

- Homepage Skin
- All visible ad spots on the homepage

# DEMAND-SIDE PLATFORM

Programmatically buy ad space using the TJ DSP.  
Explore the automation and optimization features to help you scale and maximize your ROI.

## AUTOPILOT

Adjusts the ad weights and automates your ads' rotation. Autopilot displays the most engaging and best converting ads to the audience.

## BIDDER

Set a target CPA and allow our algorithm to optimize your bids automatically. The bidder works towards the CPA goal and increases/decreases the bids according to the results achieved.

## RULES ENGINE

Set rule conditions on campaign metrics. Rules Engine eliminates the sources that don't meet your rule conditions to improve overall campaign performance.

# WHY TRAFFICJUNKY?
